

# IMAGE DEBLURRING LOGIC DEFIED

Peter Chapman  
Quarter 3, 2008

# Overview

---

- Project Status Update
  - Blur
  - Deblur
- 4<sup>th</sup> Quarter Preview

# Project Description

---

# The Process

5 Pixel Horizontal Line

# Blurring an Image

# Deblur Image

Done by  
reversing  
the  
previous  
process

# DEMO TIME!

# Quarter 4 Preview

---

- Lots of GUI Stuff/User Interface Niceties (Undo, export, blur filter input, etc.)
- Other types of Image Deblurring, such as Iterative Image Deconvolution, an extension of my current method.

# Questions and Discussion
