Please come onto the property via Minor Lane from Rt. 236 (Little River Turnpike) and drive towards the large mountain of orange dirt (approximately 60-75 feet tall). See attached map – BLUE Arrows to the GREEN Box.

After parking in what we call the ‘gravel lot’, walk towards the blue ticket box near the road and through the fence towards the main building. Stay on the sidewalk along the left side of the road and as you walk down the sidewalk you will see trailers on your left (YELLOW arrows). The baseball field cannot be used at this time so please refrain from walking over it.
